

## **Charities in BC Serving Women and Girls**

The intention of this list is to showcase a select group of inclusive, diverse, and equitable charities in BC whose primary purpose is to support women and/or girls, and who accept and welcome all women and girls, inclusive of trans-women and gender non-conforming people.

Please note, this list is not exhaustive and we hope it continues to evolve. If you know of an incredible cause that you think should be added, we want to know about it! Please email Stronger Together Vancouver for consideration at [info@strongertogethervancouver.com](mailto:info@strongertogethervancouver.com).
